

**RESIDENTIAL PROGRAM:**

**Gentle, Collaborative, Meadows-Level Treatment**

The Meadows Seasons residential program was created for anyone who needs a more individualized treatment plan or a gentler approach. Our customizable care allows each patient to address their specific needs in a safe place where they can heal and grow.

**WE TREAT:**

- Adults 18 and older
- Clinically complex presentations
- Complex trauma, depression, anxiety, bipolar
- Eating Disorders
- Obsessive-compulsive disorders
- Non-suicidal self-injury
- Mature adults who may not thrive in other programs
- LGBTQ+

**Exclusionary Criteria:** *To ensure excellent care for all, we are unable to offer all approaches (e.g. DID integration, exclusive DBT, ABA, ECT, TMS) at this time.*

*In-network with Multiplan/PHCS/HMN/AMN/RAN, TRICARE*
